(3) Conduct pre-mission briefings in accordance with SOP 50-3055-11 for local or cross-country training flights in support aircraft.

(4) Closely monitor Mobile Officer schedule to insure it is met and that all aspects of SOP 50-3055-1 are covered. Noncompliance will be brought to the attention of the Deputy Commander for Operations.

(5) Meet all transient aircraft and offer aircrews assistance as may be needed (messing, billets, etc.). Normally, transient aircraft will not RON.

(6) Transport flight crew members to/from aircraft when Base Operations assigned driver is not immediately available.

(7) Keep the Base Operations Dispatcher posted on whereabouts at all times during tour of duty. Duty tour will terminate at the completion of all flying or when relieved by the Base Operations Officer or Weekend Duty Officer or Operations Duty Officer, as applicable.

25X1A9a [redacted]

Colonel, USAF
Deputy Commander for Operations

APPROVED:

25X1A9a [redacted]

Commander
